

## Get a'round this summer at Cherokee Scout Reservation

This summer Scouts and Scouters will be able to earn CSR Round Segments for participating in the myriad programs available at camp.

These segments will encircle the main patch shown above to mark the programs you have participated in during your career at Cherokee and challenge Scouts to try new ones.

The main patch will remain constant and new segments will be offered as new programs are developed in future years.

Segments and the main patch will be available June 1 at the Scout Office so you can mark previous summers prior to camp.

Contact Mark Saxon at 336-378-9166
