Cradle of Liberty Council is proud to play its part in building a *brighter future*. The council serves more than 17,000 Scouts and 5,000 volunteers throughout Delaware, Montgomery and Philadelphia Counties. In the Cradle of Liberty Council, volunteer leaders are committed to delivering a high quality, safe and fun-filled program that challenges our Scouts on both an intellectual and physical level.

Scouts today learn lessons about life and the value of being a person of character and integrity. When you stop and think about it, Scouting is unlike any other youth program. Scouting fosters the development of the whole person and offers youth the opportunity to participate in activities that will help launch them on a successful course of life.
